PROPOSAL:

I knew the proposal was coming, but he still wanted to surprise me. Our favorite date was at the Kentucky Theater which is close to where I work. One of my co-workers accidentally spoiled the surprise by telling me their sign read “Marlee, will you marry me?” A few hours later Hayden picked me up from work and we walked by it, I pretended to be surprised. The ring did catch me off guard though because it is a black diamond and so, so perfect.

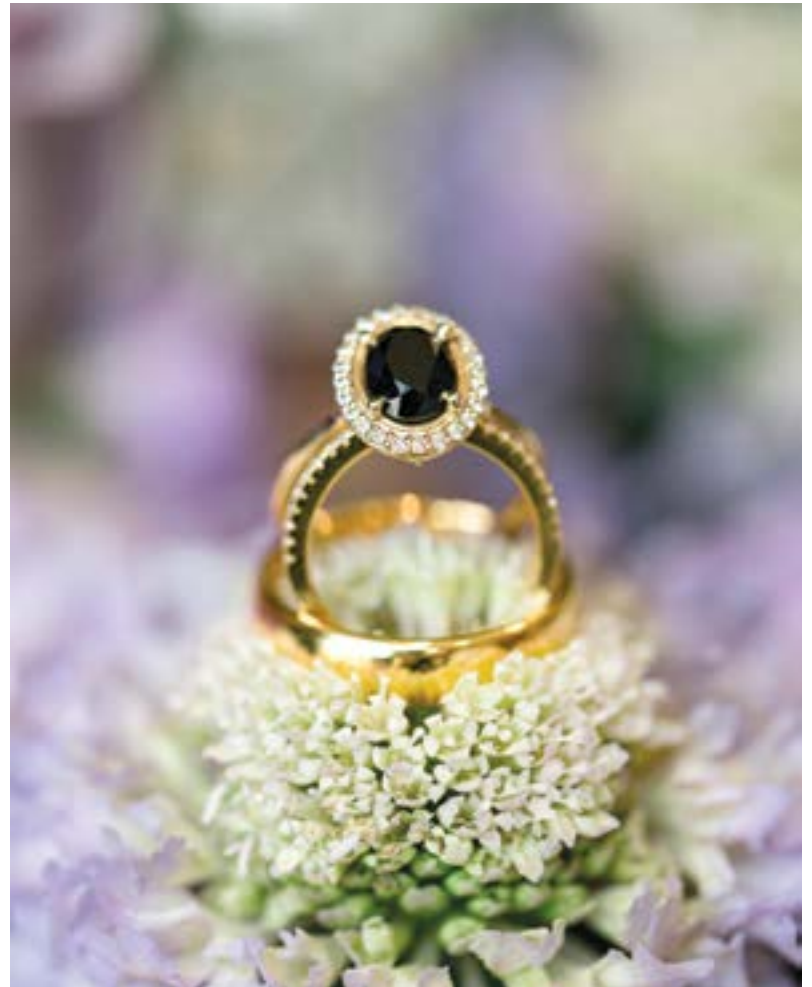

CHOOSING A VENUE:

We chose Copper Fox Event Center because they allowed us to bring in our own caterer and it was very affordable.

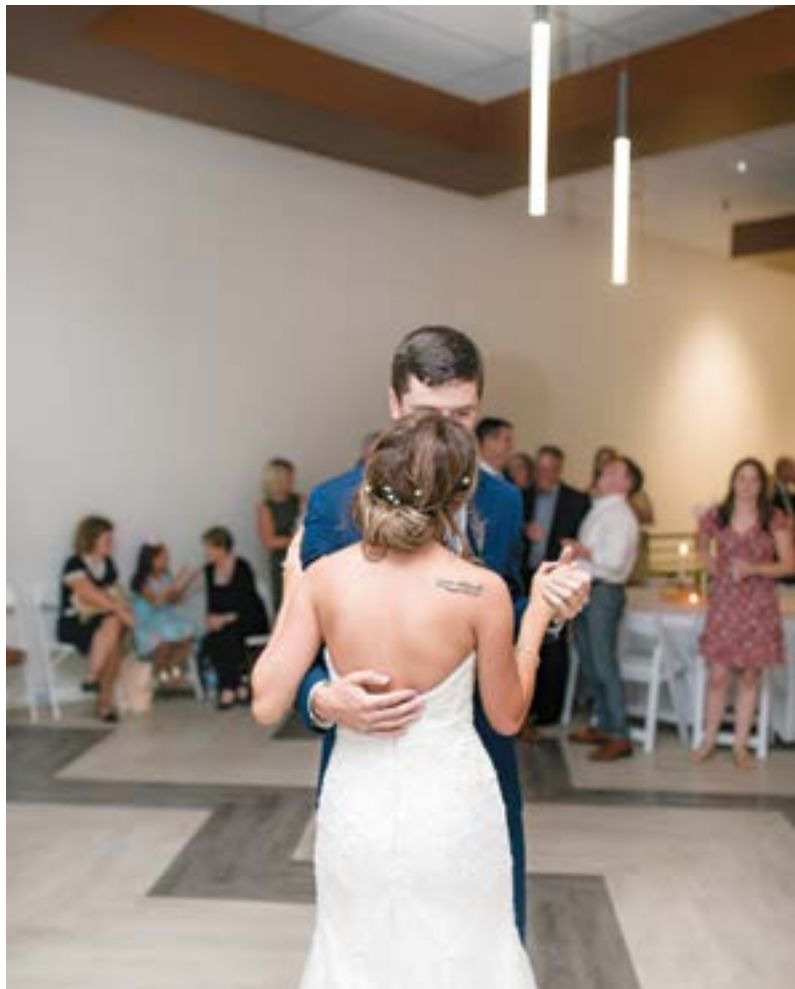

MOST IMPORTANT ELEMENTS:

We wanted good photos to remind us of all of the sweet moments that day!
